Serengeti

J. B. Rockwell

Serengeti J. B. Rockwell

It was supposed to be an easy job: find the Dark Star Revolution Starships, destroy them, and go home. But a booby-trapped vessel decimates the Meridian Alliance fleet, leaving *Serengeti* - a Valkyrie class warship with a sentient AI brain - on her own, wrecked and abandoned in an empty expanse of space. On the edge of total failure, *Serengeti* thinks only of her crew. She herds the survivors into a lifeboat, intending to sling them into space. But the escape pod sticks in her belly, locking the cryogenically frozen crew inside. Then a scavenger ship arrives to pick *Serengeti*'s bones clean. Her engine's dead, her guns long silenced; *Serengeti* and her last two robots must find a way to fight the scavengers off and save the crew trapped inside her.

From reader reviews:

Beth Stewart:

Have you spare time for a day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their spare time to take a walk, shopping, or went to the actual Mall. How about open or maybe read a book entitled Serengeti? Maybe it is to be best activity for you. You already know beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with the opinion or you have some other opinion?

Kevin Porter:

Book is usually written, printed, or descriptive for everything. You can recognize everything you want by a guide. Book has a different type. As it is known to us that book is important factor to bring us around the world. Next to that you can your reading expertise was fluently. A guide Serengeti will make you to end up being smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think that will open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Judith Smith:

The book Serengeti can give more knowledge and also the precise product information about everything you want. Why then must we leave the good thing like a book Serengeti? Several of you have a different opinion about guide. But one aim in which book can give many info for us. It is absolutely proper. Right now, try to closer using your book. Knowledge or data that you take for that, you may give for each other; you can share all of these. Book Serengeti has simple shape however you know: it has great and big function for you. You can appearance the enormous world by open up and read a reserve. So it is very wonderful.

Joseph Chitwood:

This Serengeti are generally reliable for you who want to be a successful person, why. The reason of this Serengeti can be one of the great books you must have is usually giving you more than just simple studying food but feed you with information that might be will shock your preceding knowledge. This book is handy, you can bring it all over the place and whenever your conditions both in e-book and printed types. Beside that this Serengeti giving you an enormous of experience for example rich vocabulary, giving you trial of critical thinking that we know it useful in your day pastime. So , let's have it and luxuriate in reading.
