Stranded: Bear Encounter (Savage Dreams Book 2) Alice Blythe

Emilia is turning twenty-eight: two years and two cats too close to thirty. Instead of having a birthday one-night-stand, like her mother encouraged her to do, Em retreats to the forest - her refuge.

But things turn from depressing to grim when an unexpected storm rolls in and Emilia finds herself stuck on a slippery ridge between a tree and a pissed off mountain lion.

Luckily for her, a large, even more menacing bear gets to the lion before the lion gets to her.

Once she awakens, Emilia experiences more of an awakening than she ever could have imagined and from her savior: the savage bear, whom she discovers is so much more.

STRANDED is the second book in the Savage Dreams series, featuring Emilia and her sexy, werebear lover Ryzen.

****This series is a collection of fun, steamy, standalone short stories and is not a serial****
