For America's hard-working health professionals, without a doubt taxation is a heavy and painful burden. Despite the best efforts of physicians and specialists nationwide, excessive taxation-and its drain on your income-often seems like a chronic and widespread disease with no cure. Though he's no medical professional, Brandon Archibald is a financial one, and he's here to provide you with the much-needed treatment that will resolve your woe. "A Prescription for Doctors to Keep More of YOUR Money is filled with his hard-earned knowledge, custom tailored for the needs of our nation's healers. You know the old saying: "two things in life are certain: death and taxes." Luckily for us, doctors such as yourself work hard to ward off the former...And it's time that we all have the means to prevent over-taxation, as well. Within these pages, you'll learn how to cast off your financial torment by learning the basics of minimizing your tax burden, including the importance of paper profits versus actual profits, who to trust with your tax prep and who to look to for proactive strategies, how to make the most out of your taxes as a self-employed professional, how to legally keep as much of your income as possible tax-free, and more. With wit and wisdom (and none of the discomfort of a shot), "A Prescription for Doctors to Keep More of YOUR Money" gives you the knowledge needed to face next April-and all the tax days after for years to come-without fear and loathing.
