Barth for Armchair Theologians

John R. Franke

Barth for Armchair Theologians John R. Franke

This volume introduces readers to the life and thought of Karl Barth (1886-1968), one of the most important theologians since the Reformation era. Featuring the Armchair series' characteristic whimsical illustrations, *Barth for Armchair Theologians* surveys Barth's theology as it emerges and culminates in his monumental *Church Dogmatics* as well as how his theology continues to be interpreted in the present day.

Written by experts but designed for the novice, the Armchair series provides accurate, concise, and witty overviews of some of the most profound moments and theologians in Christian history. These books are essential supplements for first-time encounters with primary texts, lucid refreshers for scholars and clergy, and enjoyable reads for the theologically curious.
