*The Facilitator's Guide* provides step-by-step instructions for administering the profile and, optionally, leading a workshop based on the companion *Creative Style Profile*. The *Profile* is designed not to tell participants *IF* they are creative, but *HOW* they are creative. It is not a test of creativity but an exploration of where their creative strengths lie. *The Facilitator's Guide* gives you the tools you need to score the profile and contains suggested scripts, individual and group exercises and activities, as well as overhead, handout, and flip-chart masters.
