Diversity Lane Zack Rawsthorne

Praised in advance by Brent Bozell and many others on the political scene, Diversity Lane/ A Liberal Family Saga is a lavishly illustrated, oversized screamfest of a book featuring a colossal sampling of cartoons from internet cult favorite Diversity Lane by Zack Rawsthorne (www.diversitylane.com). Described as "an Addams Family with a conservative slant" but appreciated by anyone with a sense of humor and a taste for honesty, the series hilariously highlights the quirky doings of a suburban family all too comfy in their hyper-liberal ways. An amusing counterpoint is served up by conservative 8-year-old daughter Diversity (yes, this is a girl's name, at least in this leftist neighborhood). Quick-witted and sarcastic, she seems never at a loss to undercut the ongoing madness with a priceless remark. Diversity Lane/ A Liberal Family Saga is clever and exceedingly well-drawn by a seasoned commercial art professional. For those who enjoy laughter mixed with their thinking it could be the gift book of the year.

Key to the joys of this big collection is the characters. These cartoon-people feel real, and countless readers have reported seeing in them some wayward acquaintance, challenging family member or long-forgotten college classmate. There's Alex, the ACLU lawyer with a heart of gold if you're a criminal but darkest mistrust of the rest of us... politically correct wife Allison, juggling her PC jargon as adeptly as a performer at Ringling Brothers... Devon, the brooding uber-feminist, a bundle of neuroses wrapped up in basic black... Sierra, the 48-year-old hippie who boarded the New Age bandwagon in the '60s and never got off... and little Jayson, the hapless 6-year-old: will he adopt the galloping insanity of the Lane household, or follow sister Diversity's path to normalcy? Though spirited in its comic dissection of the left's foibles, the series manages to garner many liberal readers simply by virtue of the comedic realism of its personalities.

Still, this is a series with sober underpinnings. It's obvious that a great deal of thought has gone into the creation of its left/right dialog, and it comes as no surprise that Rawsthorne's cartoons have been endorsed by and featured frequently at the top conservative website American Thinker. Nor that it has appeared at Powerline, Moonbattery, I Own The World and many other renowned sites over the two years since making its internet debut.

In summation, this is a witty treasure of a book for readers and humor aficionados of every stripe. Like snapshots from a sitcom just a little too uncomfortably honest to be produced, it will alternately thrill, disturb, and delight. The right will welcome joyously its no-holds-barred puncturing of liberals' most cherished beliefs; open-minded progressives up for a challenge will find it combative but thought-provoking; and non-political types will simply laugh out loud at the ever-imaginative and visually striking goings on around Diversity Lane.
