Hollywood Hypocrites

Jason Mattera

Hollywood Hypocrites Jason Mattera

A humorous critique of the Hollywood liberals from the *New York Times* bestselling author of *Obama Zombies*.

THE BOOK YOU'RE ABOUT TO READ WILL PISS YOU OFF.

Are you sick of self-important celebrities preaching against “global warming” yet flying private planes to their countless homes? Fed up with lectures about charity and philanthropy from miserly rockers who will do anything for a tax break? Disgusted by leftist stars decrying the evils of the Second Amendment as their personal bodyguards pack more heat than a Chuck Norris kick to the face?

You laughed as you watched gonzo journalist Jason Mattera “punk” some of the Left’s biggest icons. You cheered as he rattled a generation from their unthinking liberal slumber in *Obama Zombies*. Now, in his shocking latest *New York Times* bestseller, Mattera sets his sights on his biggest target yet, ground zero for liberal lunacy, the Left’s Holy Land: .Hollywood.
