The Life of General Giuseppe Garibaldi

Giuseppe Garibaldi

The Life of General Giuseppe Garibaldi Giuseppe Garibaldi

Giuseppe Garibaldi (1807-1882) was an Italian general and politician who played a large role in the history of Italy. He is considered, with Camillo Cavour, Victor Emmanuel II and Giuseppe Mazzini, as one of Italy's "fathers of the fatherland". Garibaldi was a central figure in the Italian Risorgimento, since he personally commanded and fought in many military campaigns that led eventually to the formation of a unified Italy. He was appointed general by the provisional government of Milan in 1848, General of the Roman Republic in 1849 by the Minister of War, and led the Expedition of the Thousand on behalf and with the consent of Victor Emmanuel II. He has been called the "Hero of Two Worlds" because of his military enterprises in Brazil, Uruguay and Europe. These earned him a considerable reputation in Italy and abroad, aided by exceptional international media coverage at the time. Many of the greatest intellectuals of his time, such as Victor Hugo, Alexandre Dumas, and George Sand, showered him with admiration. The United Kingdom and the United States helped him a great deal, offering him financial and military support in difficult circumstances.
