The coloring book series, *The Torah in Living Color*TM, is designed to be enjoyed along with the weekly Torah readings observed by millions around the world. The boldface type in the lower left corner of the page is the Hebrew name for the section of Scripture, which is the first major word or phrase in the reading. The English translation is beneath it. In the center of the page is the actual Scripture being read, and on the right is a description of the illustration.

Join us as we journey through the wilderness and explore our relationship with the One who rescues us!

It is my desire that these drawings will help bring the Scriptures to life, and help you "draw" closer to God.
