Twenty-two-year-old Kiera Byrne isn't the type of girl to have a one night stand.

But when she meets a sexy and mysterious man at a bar after work, Kiera does the unthinkable.

She follows the dark stranger up to the penthouse suite in his fancy hotel and has mind-blowing sex with a man who never even tells her his name.

It's not until the next day that Kiera realizes what a gigantic mistake she's made. Because the same man that took her to heights of ecstasy the previous night, is also the new CEO at the company where she works.

Drake Manning is ruthless and controlling. Taking over the company where Kiera works isn't enough for a man like Drake. Because now he has his sights set on another corporate takeover—and it's one that takes place after hours, in the office, and the bedroom, and anywhere else he wants it.

The Takeover is a hot and sexy billionaire romance in the tradition of Deborah Bladon and Hannah Ford.
