Walking, Living, Learning!: An Adventure In Personal and Professional Development Al Argo

1 Man - 1 Year - 5 Countries - 66 Books - 1000 Miles & 1000 Plus Life Lessons! What do you get when a middle age man decides to spend a year walking to improve his health, his relationships, his business, his mind and his spirit? "Walking, Living, Learning!" is the result of Al Argo's year of walking around Asia and the USA while listening to 66 books covering such topics as small business management, personal relationships, parenting skills, communication skills and much, much more. If you want to be successful hang around successful people and read what successful people are reading & writing! "Walking, Living, Learning!" affords you a rare opportunity for a sneak peak of what Al Argo, a leading Personal & Professional Development Expert read during a year of "Walking, Living, Learning!" Almost 400 pages of easy-to-read practical and motivational advice on subjects ranging from goal setting to business management, from parenting skills to personal finance and from technology to productivity (and much more)! Every chapter might not completely apply to your situation but you can learn something (and find another great book to read) from every chapter. This book chronicles Al's journey through Singapore, Malaysia, Indonesia, Thailand and the USA while walking an hour a day, six days a week. While walking he was listening to powerful ideas from current best-selling books and classics from years gone by. Enjoy the journey with Al Argo by getting your copy of "Walking, Living, Learning!" today!

From reader reviews:

James Lapham:

What do you think of book? It is just for students since they are still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Walking, Living, Learning!: An Adventure In Personal and Professional Development. All type of book is it possible to see on many resources. You can look for the internet methods or other social media.

Jimmy Torres:

People live in this new moment of lifestyle always try and and must have the spare time or they will get large amount of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is definitely Walking, Living, Learning!: An Adventure In Personal and Professional Development.

Daria Gertz:

Is it you who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This Walking, Living, Learning!: An Adventure In Personal and Professional Development can be the respond to, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these guides have than the others?

Linda Carroll:

Do you like reading a e-book? Confuse to looking for your best book? Or your book had been rare? Why so many query for the book? But almost any people feel that they enjoy intended for reading. Some people likes examining, not only science book but in addition novel and Walking, Living, Learning!: An Adventure In Personal and Professional Development or perhaps others sources were given expertise for you. After you know how the good a book, you feel wish to read more and more. Science reserve was created for teacher or maybe students especially. Those textbooks are helping them to put their knowledge. In different case, beside science e-book, any other book likes Walking, Living, Learning!: An Adventure In Personal and Professional Development to make your spare time considerably more colorful. Many types of book like here.
