I did learn about #the100DayProject on The Great Discontent website. This book is the byproduct of that project. Once finished, I had a bunch of tutorials and find myself going back to them to draw inspiration and ideas from. I must quote my mentor Mike Rohde: this book is not about Art, is about Ideas. This book is basic and at low cost. I want people to take notes ON my book, add colors, add features and details, writing on the pages and without regret, without the fear of ruining an expensive book. I want children to play with it, tear the pages off, destroy it without their parents getting mad.
