As a designer of jewelry, Maisoon wants an ordinary extraordinary life, which isn't easy for a tradition-defying activist and Palestinian citizen of Israel who refuses to be crushed by the feeling that she is an unwelcome guest in the land of her ancestors. She volunteers for the Machsom Watch, an organization that helps children in the Occupied Territories cross the border to receive medical care. Frustrated by her boyfriend Ziyad and her father, who both want her to get on with life and forget those in the Occupied Territories, she lashes out only to discover her father isn't the man she thought he was. Raised a Christian, in a relationship with a Muslim man and enamored with a Palestinian woman from the Occupied Territories, Maisoon must decide her own path.
