## **Discover How to Be the Kind of Wife You Would Wish For Your Son!**

Have you ever thought of saying “I do” to someone? Does it appear in your daydreaming sessions? As much as you want a wedding worth keeping in your memory, you would also want a marriage worth fighting for—the kind of marriage you would want for your son. But marriage is not as simple as planning a wedding. It is a season in your life that truly requires everything out of you.

The brand of marriage you planned and prepared is the brand of life you choose to live. Therefore, a mindful decision must be made before saying “Yes” to marriage, no matter who the person you are going to be with.

This book contains actionable steps and strategies on how to prepare for marriage and what essential things you should learn about it. It is divided into five chapters which will each give you a different perspective for understanding marriage and developing the character you need as a wife. This will save you from a lot of marriage drama and consequences.

Whether you are a single seeking to have a fulfilling marriage someday or a married person hoping for a better married life, this book is for you! Get ready to embrace a significant turning point in your life. A life-giving marriage might be on its way to you!

**Within this book's pages, you'll find the answers to these questions and more. Just some of the questions and topics covered include**

- The Meaning of Marriage
- Facts about Marriage
- The Wife of Noble Character
