So, your husband is into pornography. He watches graphic sexual videos, and is not content with the displays of affection seen in simple romance films. Instead, he opts for the explicit images of porn. Now, you're left wondering: "Is my husband addicted?" Well, this depends on the mitigating circumstances, and has to be taken on a case by case basis. Nevertheless, regardless of whether or not your husband can be said to have an addiction, pornography can have a harmful impact on your relationship in more ways than one, so it's important to tackle this head on. This book is designed to help you figure out whether your husband is an addict or not, and the effects this might have, and most importantly, how you can deal with this problem and get back to a healthy and satisfying relationship.
