Understanding and Negotiating Turnkey and EPC Contracts Joseph Huse

This work is a practical commentary on the FIDIC and EPC turnkey contracts widely used in the international construction industry. It provides clause-by-clause analysis of these contracts, accompanied by practical guidance on their application in specific projects. It also reproduces the contracts in full as an appendix. * Detailed, clause-by-clause approach makes it a highly practical working tool * Invaluable for international projects where the use of FIDIC standard contracts is increasing all the time
