The results are in and readers win as the popularity of pin-up queen Bettie Page proves too powerful to ignore and fans begged for more adventures, extending one of the most quirky and original comic concepts into a regular on-going series. Issue #4 serves as a great "jumping on" point for new readers as the mystery of Bettie Page's true disappearance from modeling is revealed one weird and wild story at a time. Things aren't as they used to be at the Artsy Tartsy modeling agency ever since Bettie returned, but after zombies, an evil prison doctor and then aliens, it may be Bettie Page the other nude models fear the most when this good girl goes bad! Look out, ladies, the pin-up queen is mean and wields a whip! No drawings here, just vintage photos of real girls spanking, topless cat-fights and bondage tell the story on every page! Will her girlfriends let her get away with such cruel and unusual punishment? Or become sexually attracted to this side of Bettie they've never seen before? No one is safe as the clothes come off, revealing more than just secrets behind Bettie's new vicious villainy. Also in this issue, another "Strange Stripper Story" will leave you speechless as nude girlie photos tell true tales of suspense as if The Twilight Zone was recreated by Playboy. Then meet modern model Carlotta Champagne, the only girl who starts a photo set already naked and goes from there in an amazing 3-D feature sure to fog up the 3-D glasses that are included free with every issue. This is an officially licensed product by the management of Bettie Page's estate
