I wrote a children's book...now what?

Mike Artell

I wrote a children's book...now what? Mike Artell

In this book, author/illustrator Mike Artell shares "real world" information about children's book publishing. This is not a "how to write children's books" book. This is a book about how to dramatically improve your chances of getting published. This book is written for the absolute beginning who doesn't know anything about the business. Mike answers questions about whether or not you need an illustrator, what publishers are looking for and what to do to dramatically improve your chances of catching an editor's attention. Mike Artell has written and illustrated dozens of picture books, word play books, how to books, science books and cartooning books for children. His book PETITE ROUGE - A CAJUN RED RIDING HOOD was named 2009 Read Aloud Book of the Year by the National Association of Elementary School Principals.

From reader reviews:

Mark Fetter:

What do you think about book? It is just for students since they are still students or that for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has various personality and hobby for each and every other. Don't to be pushed someone or something that they don't would like do that. You must know how great as well as important the book I wrote a children's book...now what?. All type of book could you see on many methods. You can look for the internet sources or other social media.

Julie Ross:

Reading a book can be one of a lot of action that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people fantastic. First reading a e-book will give you a lot of new info. When you read a publication you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, studying a book will make anyone more imaginative. When you examining a book especially fictional book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to other individuals. When you read this I wrote a children's book...now what?, you can tells your family, friends and also soon about yours book. Your knowledge can inspire others, make them reading a reserve.

Pearl Norris:

Reading can called head hangout, why? Because when you find yourself reading a book mainly book entitled I wrote a children's book...now what? your mind will drift away trough every dimension, wandering in each and every aspect that maybe unidentified for but surely might be your mind friends. Imaging each word written in a reserve then become one form conclusion and explanation this maybe you never get before. The I wrote a children's book...now what? giving you a different experience more than blown away your head but also giving you useful info for your better life in this particular era. So now let us demonstrate the relaxing pattern at this point is your body and mind will likely be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Federico Hayward:

Guide is one of source of understanding. We can add our understanding from it. Not only for students and also native or citizen need book to know the up-date information of year to be able to year. As we know those textbooks have many advantages. Beside we add our knowledge, can bring us to around the world. Through the book I wrote a children's book...now what? we can get more advantage. Don't one to be creative people? To become creative person must like to read a book. Just simply choose the best book that acceptable with your aim. Don't always be doubt to change your life at this book I wrote a children's book...now what?. You can more attractive than now.
