A story of extreme adult baby regression and AB/DL ageplay. This story focuses on Lucy, a college graduate student with AB/DL fantasies who loves to wear diapers. After meeting a daddy with fantasies similar to her own, Lucy begins a journey into total regression, including diapers, age play, and extreme bondage intended to ensure that she has no capacity whatsoever to behave as an adult.

WARNING: This story is strongly sexual in nature, and includes graphic scenes of sex, diaper usage, regression, adult breastfeeding, and other similar themes. THIS IS EROTICA. If you are looking for a tamer read, this is probably not for you.
