Moonfeast (Deathlands Book 94) James Axler

BETRAY THE BETRAYER In the nuke-conceived birth of Deathlands, a rare breed of warrior-survivor emerged—born into suffering, hardened by circumstance, forged by endurance and sharpened by combat. Yet in the heart of this warrior, the quest to find a place of peace beats on unrelenting... **LAND OF THE LOST** The pristine coastal waters off San Clemente become a battleground over the island and its abandoned naval station. The rocky shores are rife with the sulfur mines that make Deathlands' richest jack—gunpowder. To maintain hell-fought possession, a ruthless sea baron and his fleet engage rebellion from the land. On this island populated by roaming bio-weap nightmares engineered by predark whitecoats, Ryan Cawdor is caught in a war he has no intention of fighting, but has every determination to survive.
