Alphachat.com – That’s all the info you need to get off in the privacy of your own home, car or hell... even in a public fucking library.

Whatever gets you wet.

I never expected a million-dollar business to come out of touching myself on camera, but when you add in nine of your best guys, the women become hungry and the money begins flowing faster than you can spend it.

You want to see me take my shirt off, I’ll strip it off nice and slow, making you sweat in anticipation.

You want to see me touch my dick, I’ll stroke every hard inch of it, getting you off before you can even feel it creeping up on you.

Your money.

Your Alpha.

Your demand.

Now I just hope playing for her on camera will pay off enough for me to claim her outside of the computer screen.
