Of course, the dress was white. This is what I'm supposed to die in, I thought. Not many people knew what their last outfit would be. I pulled it over my head. It fit me perfectly. It had long, loose fitting sleeves, a modest neckline, and waves of material on the skirt. I hated it.

Scarlett Garner doesn't remember anything before the age of four?until a car accident changes everything. She starts to remember pieces of a past that frighten her. A past her parents hid from her... and a secret that could get her killed.
