The Guide to Free Campgrounds, 14th edition, merges the eastern and western versions into one book and includes only campgrounds with RV sites; tent-only campgrounds have been eliminated. The new edition contains more than 14,000 public campgrounds, including National Forests, National Parks, Bureau of Land Management, Bureau of Reclamation, and Corps of Engineers. It also includes thousands of county and city parks with camping. The campgrounds in the book have overnight camping fees of \$12 or less per night. The book gives detailed directions to each campground, along with facilities and activities available there. At thousands of federal and state campgrounds where the Federal America the Beautiful Senior Pass is honored, the book provides specific discounted fees that are charged to senior citizens with the lifetime pass. For the first time, GPS coordinates are provided for nearly every campground in the book, including remote, off-the-beaten-path camping areas.
