**The Hotwife Principle (Hotwife, Cuckold, Humiliation)** Camille White

Jennifer has been married for and 15 years and now she's wrestling with her husband's recent confession that he's been fantasising about her with other men. He says it's called being a Hotwife...

What does she do? Does she dare even entertain his wild kink? What does it mean for their marriage? Could it ever really happen?

Under the spectre of an affair gone wrong, years earlier, Jennifer allows herself to consider the possibility that this highly-charged idea might be an opportunity for her to make up for lost chances. Does she now dare pursue a life of sexual adventure; a life that for her, has been nothing more than a forgotten dream.

An erotic tale about a loving but increasingly detached couple as they begin to walk a dangerous line between fantasy and reality.
