## **The Legend of Gulfstream** Jeffrey L. Rodengen

The Legend of Gulfstream tells the story of how Gulfstream Aerospace grew from a division of Grumman, maker of the World War II-era Wildcat and Hellcat, to the premier manufacturer of personal and corporate jet aircraft.

Gulfstream has seen its fortunes shift with changing times, economic policy, and new ownership. Yet in many ways, the tale of these storied aircraft is remarkably consistent: Gulfstream has inspired decades of loyalty among the people who design and manufacture the aircraft.
