Who is God?: Who's Who in the Cosmic Zoo? A Guide to ETs, Aliens, Gods, and Angels Ella LeBain
In *Who Is God?*, spiritual researcher and experimenter, Ella LeBain proves that what we call 'God' isn't just one God, but many. So who is the true God of this world? Who created the others? While revealing His identity, she explores the fate of the 'gods' based on ancient prophecies, why it matters today, and how it affects us all. She also separates the terrestrial from the alien, showing us how to tell the difference. Meanwhile, she exposes blatant Biblical mistranslations, refuting false beliefs while proving that Allah and the Old Testament God are not the same—among other spiritual truths we all deserve to know. Ultimately, *Who Is God?* provides crucial insights into how we can achieve unity in faith, knowledge, and spirit.
