Winter Storms (Winter of Faith Series) (Volume 1) Rachel Stoltzfus

When a difficult winter leads to tragedy, will the faith of this Ephrata Amish community survive a series of storms that threaten their resolve to the core? Winter is sweeping across the Amish community of Ephrata. The winds are already strong, sharp and biting, and far off cloud banks hang ominously in the distance. When Amish community members gather for church, young Hannah Miller comes with the flu and a snowstorm blows in suddenly, causing whiteouts, winds and blinding weather while stranding church members at the Beiler home. This is but the first of a series of difficult times which threaten life, limb and happiness for these Ephrata residents. Will this community's faith survive a series of storms and a tragic, shocking loss?
