Foundations of Faith (Parent Guide): What We Believe and Why Kim Sorgius

The Bible calls us to teach our children diligently. But in the wake of disappointing court rulings and scandalous baby killing videos, the question must be asked. Do our kids REALLY know what we believe? Are we giving our kids the tools they need to stand strong and defend their faith or are we letting them eat out of the hands of wolves? Foundations of Faith is a study like no other. The goal is simple: to help your family talk about tough issues and develop a statement of faith that will be a keepsake and teaching tool for years to come. The study starts with a 7-lesson Bible study of the basics of the Christian faith. Section two contains space to record your family's specific beliefs. Rest assured, you are not told what to think about these very important issues, but are provided with Scripture, additional reading, and thoughtful questions to ponder as you consider each of the issues at hand. It's very important that families consider the facts as they develop their statement of faith. This study is designed for the whole family to complete together. The parent guide contains notes and suggestions, as well as a place to record your statement of faith for each topic. The youth and junior versions contain age-appropriate spaces for recording, as well. Please note: The 7-day Bible study at the beginning is exactly the same for all levels.
