## **Keep Walking in Prayer...** Rev Dorothy Scott Boulware

There is power in prayer, Rev. Dorothy Boulware believes, based on what she has experienced over the course of her life. Yet, Dorothy sees that many believers don't understand the love and influence God has on the factors of life, simply because they don't regularly converse with Jesus in prayer. The reason: they don't understand that prayer to God is not giving requests to God, but daily transaction with Jesus to find out what God wants to be done in one's life at the moment. Her new book, *Keep Walking in Prayer...Until you can't come back* seeks to educate readers on the importance of active prayer; centered on the eternal belief that God listens to prayer and knows how best to handle situations in life. The book is organized around key points of advice readers can use to enhance the connection made with God during prayer time. Stemming from biblical truths in scripture, the advice encourages readers to come boldly before God in prayer, to incorporate fasting in prayer and find comfort in the loving arms of Jesus. Each point comprises several personal stories of what Dorothy encountered when she came to God in prayer. One notable example is getting a word from God that her daughter shouldn't go on a trip that had been planned with friends. Even though she couldn't explain the reason she was saying no, Dorothy agreed with God's word that morning. Later that day, it was learned the vehicle for the trip had been in an accident with some injuries for the passengers: an experience that proved the power of prayer with God! So, for those who are downtrodden because their prayers haven't been answered yet, or they feel God is too far away, *Keep Walking in Prayer...Until you can't come back* responds to let all know God always hears and answers prayer.
