## **The Target (Agent Dallas Thrillers Book 2)** L.J. Sellers

Agent Jamie Dallas loves undercover assignments that get her out of the Phoenix Bureau. But her new case is daunting—an FBI agent is mysteriously dead, and a medical device company is targeting competitors with dangerous acts of sabotage.

Dallas infiltrates TecLife, spies on her new bosses, and tries to steal a sample of their mutant bacteria. But soon her life is in danger when she's caught in a battle between companies, each hoping to kill the competition while launching a billion-dollar blockbuster.

Meanwhile, a famous actor is found beaten and murdered in an abandoned cannery, and a young detective lands the case of a lifetime. Determined to bring justice to his favorite star, Detective Cortez follows a trail of evidence that leads to the medical-product war—but he has no idea how deadly it is.

Can Dallas survive long enough to stop a researcher who's gone over the edge and save millions of consumers from getting caught in the crossfire?

"With her latest Agent Dallas outing, Ms. Sellers has once again hit it out of the park."—Bookbitch.com

"The Target is a fast-paced thriller with a complex but intriguing plot that lays bare the terrifying world of corporate power and crime."—Mystery People magazine

Readers compare the Agent Dallas Series to books by James Patterson and David Baldacci.
