For eons, the ancient and powerful Meta-Warriors have betrayed, despoiled, and slain each other in a relentless pursuit of total mutual destruction. Who they are, what they are, what purposes they serve—none can tell. As they exact their dismal retributions against one another, with whatever skulduggery proves necessary for achieving those ends, they do not care to wonder why. Except for one. And he will kill all who stand in the way of him discovering who—and what—he is. Or die trying. They call him BleakWarrior. Descend into a world of dark metaphysics, ultra-violence, senseless mayhem, and transgressive sex with a simultaneously brutal and brilliant fantasy novel unlike any other.
