For cat lovers and office workers scratching out a living, *The Adventures of Business Cat 2017* wall calendar pokes fun at the fabric-covered boxes (aka “offices”) and dysfunctional business communications that make us want to pull out our hair. But in this comic, the craziness makes some sense—after all, the CEO is a *cat*!

The dashing title character, *Business Cat*, exemplifies what we love to hate about upper management: he sends incoherent emails (and expects everyone to understand); he delays meetings (because he’s stuck in trees); and he changes his mind on whims (demanding to be let in, then out, then in again—even though he has freakishly human hands and could open the door himself).
