Cat Sitting: Lesbian Cat Custody Complications (L.E.S COMBO Book 1)

Sam Skyborne

Cat Sitting: Lesbian Cat Custody Complications (L.E.S COMBO Book 1) Sam Skyborne

“Cat Sitting” is a sexy lesbian romance of Loss, Lust & Love.

Sometime after a messy breakup, Alex finally agreed to do the cat sitting for her ex-lover, Teresa. She knew her first visit back to what she used to call ‘home’ would not be easy. However, she could never have imagined such an unexpected turn of events! =)

Can you find the hidden message in the pages of the EBook? ;-)

Note: This is part I of the L.E.S (Lesbian Erotic Stories) COMBO (Short Story & Short Film) Collection.

Warning: Contains graphic language and f/f sex.

How did you come to write this short?

A close friend of mine had the original story idea, which we then turned into a screenplay and a wonderful little Lesbian Short Film. I love the film but I was always a little disappointed that the film suffered the usual kiss-cut-to-the-morning-after routine. So, I decided I would rewrite the story and this time include the juicy, **sexy bit in the middle.**

What is unique and interesting about this short lesbian romance?

It is unique in that this story is a slice of life short lesbian romance that shows both the normality, the everyday-ness as well as the complexity of lesbian relationships. Let's face it, this scenario would not be possible in a heterosexual relationship. When lesbians say “It's complicated” they usually not kidding. Oh, and of course, it features cute cats! :-)

Why the COMBO (Film & Fiction) pack?

Well I believe that this is an interesting proposition. It gives my readers a chance to watch one take on the story in the form of film and then read another--a more sexy unedited lesbian, more erotic, version--for themselves.

Will you be doing more COMBO's in future?

Well, like anything slightly new, I would like to hear from our audience whether they like it. I certainly do, and if they agree, I have another saucy little romance called "Saying Sorry – What really happened" coming out soon and I hope to be able to release that as a COMBO pack too.
