Memoir in the Making: A May-December Romance Adrian J. Smith

The first day of her junior year in college was supposed to go off without a hitch. But when Ainsley Jacobs sat in her memoir class with a professor she'd never had before, her life took an unexpected turn. She couldn't get her well-dressed professor, Meredith Frenz, out of her head.

Meredith had lived a lonely yet comfortable life for the past fifteen years, and despite flings here and there, she had no desire to jump head first into a relationship, especially one with her student. Despite all her thwarted efforts, Meredith was determined to keep to herself and push Ainsley away.

Forbidden love is often the most attractive.
