The Best Damn Google Seo Book - Black & White Edition: Search Engine Optimization Techniques That Will Increase Your Search Engine Ranking! Heather J. Lovely

This short Google SEO book will cover pretty much everything you need to know about Search Engine Optimization in a non-confusing matter. When it comes to Internet and/or Web Marketing today you must have an understanding of exactly what SEO is, it's purposes, and most of all, how to implement it when designing your web pages. Understanding Search Engine Optimization is critical for proper Web Development. Search Engines are how most of the sites are going to generate the bulk of their site traffic. So I wanted to create a quick reference book that's easy to understand for both the Novice and Advanced Webmaster alike.
