The Daughter of a Guilty: The story of who killed Montagu Jerningham Ryan Morris

It had been a scorching hot July day, and the sun had blazed incessantly and mercilessly into the court, crowded beyond endurance. As it set and darkness began to fall, the heat had not abated, and the foetid atmosphere seemed to grow even more stifling. There was a heavy feeling of thunder in the air. The Old Bailey, narrow, cramped, and uncomfortable, looked murky in the deepening gloom, with no other light save the flickering candles, and out of the dimness peered grim, expectant faces. The judge on the bench seemed weary as he sorted his notes, but the counsel on both sides, despite the hard work of the week, were keenly alert, as they played the great game of their profession, with a life as the stake. Still, for once, the sympathies of all had been strangely touched, contrary to logic and evidence. On the side of the prosecution there was no animus, merely a cool, well-reasoned statement of facts, unusually colorless in its moderation, as the Attorney-General asked for a verdict on the overpowering evidence he had accumulated. Opposed to him was not only the passionate eloquence of the greatest lawyer of the day, typically Irish in his enthusiasm and his power of stirring souls, carrying the court at times off its feet with a rush of words and an exuberance of eagerness, yet sinking to well-modulated passages where reason was met by reason and logic battled with logic.
