An Astrological Comparison of Planets in Medical Diagnosis Volume 1: The Arterial System (An Astrological Comparison of Planets in Medical Diagnosis, 1) (v. 1) Beverley Rostant

An Astrological Comparison Of Planets In Medical Diagnosis, is the first volume in a series connecting the natal chart of the individual with the potential for illness. Using the indicators in the book, the professional astrologer and those interested in health may be able to improve their health and the health of their clients, by referring them to healthcare professionals in a timely manner.

This book could be used to help healthcare professionals in treating their clients in a timely manner, and allow the client the ability to understand how stress factors in their charts are contributing to their health. Changing those factors, or the response to those factors allows the client control of their own destiny. In some cases hereditary factors are prominent, and looking in the past at family members and manifestations of stress factors can shed some light on how this will manifest for the client.

This book is one of the few astrological works dedicated to astrological health. All of the examples cited in this work are real cases with real outcomes. This book would be a great addition to any library, any personal collection, and a teaching tool for the astrological student or healthcare professional.

This book would do well over the Internet; many of the clients asking about the book and when it will come out are Internet users. It would also do well as an addition to any library, or new age book store.

This book on the arterial system, is the first volume in a series pertaining to health care and the natal chart. The second volume will comprise the gastric system and traumas, and the third volume will comprise leukemias of various forms. These works will add to the great knowledge of astrology and its connection to mankind allowing the expansion of ones knowledge base to a higher level.
