**Some days success isn't about doing it all—it's just about getting out of your pajamas before 2 P.M.**

In his hilarious debut, *Wall Street Journal* writer Jason Gay embarks on a comic journey through family and fatherhood, sickness and health, heartbreak and joy.

Jason Gay sets the example for how to . . .

- \* Build the perfect wedding playlist without being a music snob.
- \* Go home for the holidays without abandoning your family at a highway rest stop.
- \* Support kids' sports without brawling with another parent in the parking lot.
- \* Make ten million dollars in fifteen minutes. (Okay, that's a total lie.)

Whether you're a recent grad, a Little League coach in the making, or a wise grandparent who has seen it all, *Little Victories* will remind you to celebrate the small moments, perfect and imperfect alike. Finally, this is one book that loves you for who you are—and especially for who you aren't.
