The History of Opera For Beginners

Ron David

The History of Opera For Beginners Ron David

The History of Opera For Beginners is a humorous, little book which starts with the radical assumption that Opera is just plain old music, rather than the highbrow, inaccessible music that everyone assumes it to be. The reader will learn the difference between Italian and German Opera and why you don't have to study a new language to enjoy Opera.

The History of Opera For Beginners is an ideal introduction for people who are convinced that opera is solely for those refined few who were born listening to arias. Written in short, humorous, and informative chapters, and laced with some of the opera world's juiciest anecdotes, this guide is sure to convert even the most ambivalent of music lovers.
