The Sodality: A Jack Connolly Novel (Jack Connolly Novels) (Volume 3) Mr. M Charles McBee
The politics of money, or perhaps the mis-use of it as Super PAC money contributions, is the compelling catalyst for THE SODALITY. An attractive Naval Officer assigned to the DIA, diplomatic branch, Commander Bonnie Biersack, receives a mysterious e-mail threatening to expose a hidden agenda in an Israeli agreement she has helped develop. The agreement assures the future security of Jerusalem, recognizing it as the true capital of Israel, and guaranteeing security of the surrounding holy sites from attacks by Islamic Jihadists. She has only four days to uncover the mystery of the e-mail message, as well as learning the identity of the sender. Commander Biersack finds herself and Assistant Director of the Secret Service, Jack Connolly (her mysterious shadow and sometimes lover) in danger. Jack uses his sharp, sarcastic wit and affable, charming personality to keep her in his “protective’ sites as they both end up embroiled in a dangerous conspiracy. A conspiracy that began decades ago at an exclusive New England prep school. It was at this exclusive prep school, The Abbey, that the truly evil Archbishop Joseph Mendoza, the schools’ former Director and a man with enormous family wealth, developed a plan that would land him in Rome someday as a Cardinal. A Prince of the Church. By carefully using his “boys,” former members of the school Sodality, as pawns, he ear-marks millions of dollars over the years as PAC contributions, placing them in high positions in the U.S. government, as well as in Israel.
