Stevyn Colgan

Why Did the Policeman Cross the Road?: How to solve problems before they arise Stevyn Colgan

Can lollipops reduce anti-social behaviour? Or wizards halt street gambling? Do fake bus stops protect pensioners? Will organising a dog show stop young people killing each other? Stevyn Colgan believes that the answer to all of those questions is 'Yes'. Packed with fascinating anecdotes and important questions, this astonishing book reveals the innovative and imaginative ways Colgan tried to prevent crime during his thirty years on the police force.

Colgan worked for twelve of those years as part of a unique team called The Problem Solving Unit. With no budget and laughable resources, they were given an extraordinary brief – to solve problems of crime and disorder that wouldn't respond to traditional policing. They were told they could try anything as long as it wasn't illegal, wasn't immoral, wouldn't bring the police into disrepute, and didn't cost very much.

With amusing, insightful and sometimes controversial approaches to problem solving, Colgan mixes personal anecdotes from his time on the force with real-world examples of how The Problem Solving Unit helped build communities and prevent recurring crime.

At its core, this book's message is simple: police should direct far more effort towards preventing crime before it happens rather than solving crime after it has happened.

From reader reviews:

Roger Cooper:

What do you concentrate on book? It is just for students as they are still students or the idea for all people in the world, what the best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book Why Did the Policeman Cross the Road?: How to solve problems before they arise. All type of book can you see on many solutions. You can look for the internet sources or other social media.

William Ward:

The reason? Because this Why Did the Policeman Cross the Road?: How to solve problems before they arise is an unordinary book that the inside of the guide waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking approach. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Mary Ransom:

In this era which is the greater person or who has ability to do something more are more special than other. Do you want to become one of it? It is just simple solution to have that. What you have to do is just spending your time not very much but quite enough to possess a look at some books. On the list of books in the top collection in your reading list is usually Why Did the Policeman Cross the Road?: How to solve problems before they arise. This book which is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking upward and review this reserve you can get many advantages.

Kerstin Torres:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Why Did the Policeman Cross the Road?: How to solve problems before they arise can make you really feel more interested to read.
