Marina has always known she was destined for more than just working in a grimy New York City factory, so when she falls for her boss, she thinks she's found her future. But her sister has her doubts -- doubts which lead her to answer an advertisement for a mail order bride...on Marina's behalf. When Marina's dreams come crashing down, she gratefully accepts George Maddix's proposal and takes the next train to Montana.

What she doesn't know is that women and money are scarce in George's neck of the woods, so he and his two handsome brothers pooled their resources to pay for Marina's ticket out west...to be the new bride for all three men!

Will this be another crushing disappointment for the frustrated Marina or the answer to her prayers?
