Practical Software Reuse (Practitioner Series) Michel Ezran, Maurizio Morisio, Colin Tully

Software reuse promises high value to businesses that develop software, opening the door to radical improvements in productivity, cost, and time to market. This book is for those who are wondering whether they should adopt reuse and how, and also for those who have already started to adopt it but are wondering where they may be going wrong and how they could do better. It emphasizes the practical issues that influence success or failure in reuse; and offers a concise and balanced coverage of the essentials.
