What is love? Can you describe it? Do you love your parents, friends, romantic partner and God in the same way? In the English language, we use the word love in all these relationships, but the ancient Greeks - the first western philosophers - tried to capture, pinpoint and distinguish the different forms of love with four words: storge, philia, eros, agape. In *Young Ezekiel: A Life of Loves*, Ezekiel will tell you about his life and loves. Though his life is unique, his relationships are like ours and, maybe, through his story, you will learn about yourself and the loves in your life.
