Continental Drifter Marianna Harris

The pull of the land on the soul. The healing of the heart from the Source. For thousands of years, Red Rock Country has been a spiritual haven for the indigenous peoples of North America and settlers from across the world. Author Marianna Harris travels the Grand Circle of the Colorado Plateau to bring you the mysteries of the “living landscape” of the American desert southwest. Join a Continental Drifter on adventures filled with humor and insight in confronting the human condition as she uncovers the transformative, healing power of the spirit through nature. Feel the red earth, red rock monoliths, desert sun and summer rainstorms permeate your consciousness and soothe your mind and heart. Nature. Geology. “It's not just science.”

Christopher Scoville:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Continental Drifter can make you experience more interested to read.
