## Feasting on the Gospels--Matthew, Volume 1: A Feasting on the Word Commentary

Feasting on the Gospels is a new seven-volume series that follows up on the success of the Feasting on the Word series to provide another unique preaching resource, this time on the most prominent and preached upon New Testament books, the four Gospels. With contributions from a diverse and respected group of scholars and pastors, Feasting on the Gospels will include completely new material that covers every single passage in the New Testament Gospels, making it suitable for both lectionary and non-lectionary use. Moreover, these volumes will incorporate the unique format of Feasting on the Word, with four perspectives for preachers to choose from for each Gospel passage: theological, pastoral, exegetical, and homiletical. Feasting on the Gospels will provide a special resource for all who preach, either continuously or occasionally, on the Gospels.
