Taking it Personal (Taboo) Cheyenne McCray

Taboo series.

Sarah Fairland gets what she wants — in business and in private. What she wants is Drew Bennett, her personal trainer, and she intends to have him. Drew is attracted to the confident, intelligent Sarah. Despite the sexual vibes between them, he's kept their training sessions professional — until now.

During a private training session, Drew breaks a taboo, taking Sarah to sexual heights in a room where they could be interrupted any moment. He leaves her hanging for more...and confused at her response to his dominance.

A gift with a daring note convinces her to come to his home — where he teaches her the freedom and strength that comes from turning over sexual control to him. Drew's not finished, though. Control of Sarah's heart is next.
