Alex Bane is a man with a dark past, a gifted police officer who has known the cold embrace of death for as long as he can remember. Years after surviving an infamous gang attack, Bane is still haunted by the ghost of his past and the last request of a dying man. “The End of Days is coming,” prophesied the old man, before whispering in Alex’s ear a secret he should have carried to the grave.

In the years that followed a young officer would forget his friend’s final warning, but in the aftermath of a tragic accident Bane begins to suspect foul play. Could it really have been the old man he saw before the crash, or is it just another trick of his increasingly stricken mind?

That’s a question that will have to wait for now, because in the run up to the Easter weekend it would appear someone wants the police to believe a serial killer has risen from his watery grave.
