## **Vest Busters** Uncle Fester

This celebration of the Second Amendment makes the point that if one's ammunition is made useless, what one has is then the de facto repeal of the Second Amendment. This repeal would have disastrous consequences, as shown by many historical examples given in the text wherein the disarmament of the civilian population was the prelude to mass homicidal or genocidal slaughters. In the text, I detail which types of ammunition are suitable for use against body armor clad intruders, and then I proceed to give in great detail how to increase their usefulness by coating the projectile with a layer of teflon. Coating details are given for both commercially available ammunition, and for home turned solid steel projectiles.
