This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1915 Excerpt: ...goals of high-school work--a minimum of 2 units. "e) Such other courses relating to the theory, function, and administration of public education as are needed to complete the required 15 units. "The work in practice teaching shall be done under the general supervision of the department of education of the institution in which the year of graduate work is taken, and may be done in schools of elementary or secondary grade, though preferably in secondary-school work of the kind the candidate is preparing to teach, and under the direction of competent instructors in such work. The work in practice teaching may also be done in connection with the training school of any California state normal school. "Each teacher's course shall be a bona-fide teacher's course and shall be made as concrete and practical as possible, and shall have for its purpose the preparation of teachers to give intelligent instruction in the subject in the high schools of this state. "Each university shall set its own standard of requirements for recommendation to teach the several subjects in the secondary schools."--California State Board of Education Bulletin, No. 5, pp. 1-3, June, 1914. 1"Requirements for admission to college.--Graduation from a first-grade high school, or its equivalent. "Thirty semester hours of professional training are required for certification of college graduates. "Practice teaching and observation of teaching.--Three semester hours are required for practice teaching and observation of teaching, not less than half of which time shall be given to practice teaching, under the supervision of a training teacher. "Each graduate shall receive a certificate signed by the director indicating that such graduate has completed sat...
